Hearst Foundation

The Hearst Foundation Scholarship recipients received funds to connect with Lewis mentors and continue their educational journey as first-generation students.

“

So many people don't understand the challenges we face as first-generation students. This Lewis experience has allowed me to draw connections and realize that I am not the only one that has had to face these challenges. These mentors allowed us to share our stories and be heard.

- Caroline, Class of 2022

It doesn't matter WHAT you give, but WHO you impact along the way!

YOUR SUPPORT PROVIDED...

Resources

that encouraged innovative learning and provided unique hands-on experiences.

Experiences

that brought the Lasallian mission to life and allowed students to learn, explore & grow.

Opportunities

that provided a path to success and turned Lewis students' dreams into reality.

"With many challenges this past school year, your support was even more critical. De La Salle has taught us to walk side-by-side with our students and guide them along their journey. With your help, we continued to fulfill our commitment to an excellent educational experience at Lewis University."

– Dr. David J. Livingston

An *aspiring* Teacher

"I am a senior in the education department at Lewis and the first in my family to ever attend college. I did not always receive the support I needed at home to succeed, and considered giving up on my education. Lewis gave me a chance when no other institution would! Your support shows me that I can and should continue my education."

- Aiden, Class of 2020
